Securing Advances for Agent-Cashiers

25X1  
1. There is attached the original letter dated 3 October 1946 received from the Acting Chief Disbursing Officer, Treasury Department, relative to the designation of yourself, Mr. [redacted] and Mr. [redacted] as Agent-Cashiers, in the sum of \$200,000 each.

2. It is understood that in order to expedite this matter there are two steps which should be taken, namely: (1) the execution of the applications and bonds, in the amount of \$200,000, with the bonding company and the submission to the Chief Disbursing Officer for approval; and (2) the initiation of a letter signed by General Vandenberg to the Chief Disbursing Officer, in which there will be indicated the amount to be immediately advanced to each Agent-Cashier. It is suggested that the letter transmitting the three bonds to Mr. [redacted] office also contain the request for the initial advances. As you know, each bond will be approved by the Director, CIG.

3. Please take the necessary action to bring this matter to a conclusion at an early date so that CIG funds may be made available for current operations.
